PRESIDENT'S MESSAGE

JOHN ALBRITTON
PRESIDENT
67L1991

Our prayers go out to the families of Maria Lorick and Herman Sessions.

John and Maria Lorick were at the heart of SHBA's founding and development. Maria's struggle with cancer has been a testimony for her Christian faith that has inspired everyone in our community.

During his service on our Board, Herman brought many ideas and made sure the Board meetings stayed on task. He will be missed.

We have recently read of the Caddo Commission's proposed bond issue. When I attended a recent City Council meeting, there was a discussion regarding a potential bond issue for infrastructure needs. As business owners, we can understand the importance of maintaining our community to provide for our business needs and for our families.

At future Association meetings, we will provide information and will ask for your input on priorities for our area regarding these proposals. It is important for you to attend our monthly meetings to learn what is being proposed and provide input as to the priorities for our area.

Thank you for your continued support of the Southern Hills Business Association.

John
