# President's Message

President

We welcome Lowes to our membership. When you see Mike Jaeger, let him know how much you appreciate his support.

The new theme park location at the corner of Bert Kouns Industrial Loop and I-49 has been announced. The anticipated approval of the Metropolitan Planning Commission will allow the project to get underway. This will be a strong, family-oriented attraction for our area.

The Cane's structure going up at Jewella and Mansfield Road, the completion of the apartment complex, Spring Ridge, at Dean Road and Bert Kouns, and now the theme park demonstrate a strength that developers see in Southern Hills. As small business owners, we need to make sure we promote this area with our businesses to everyone we meet.

Thank you for your continued support of the Southern Hills Business Association. Your support helps to maintain our impact with local and state government and developmental agencies.

*John*
