

SHREVEPORT MAYOR CEDRIC GLOVER
SHBA Guest Speaker at January 30, 2007 Monthly Meeting

Dutch treat catfish buffet 6:00 - Meeting 6:30-7:30
Johnny's Catfish & Seafood - 5130 Bert Kouns

Join us Tuesday, January 30th to hear **Mayor Cedric Glover** share his vision for a new Shreveport. Come at 6:00 for a \$9 Dutch treat catfish buffet, or come for the meeting and program only from 6:30-7:30. **Dinner reservations** requested so that we can be better stewards of our host as they determine the amount of food needed to adequately supply your dinner buffet. Click [HERE](#) to RSVP for dinner (cash or check preferred). Please provide names of attendees when you RSVP.

Rose-Neath Flower Shop will be our featured exhibitor at the January 30th meeting. Be sure to visit their display table. Door prizes will also be presented, so tuck a few extra dollars in your pocket for the Benevolent Fund cash and prizes drawings!

To promote **YOUR business**, request a date for an upcoming meeting. On February 27th, Vacuum Cleaner Hospital and Gifts Galore will be featured at the tabletop exhibit. Your business can be featured free of charge to familiarize members and guests with your products and services. Email info@shba-spt.org if you are interested in this avenue of business promotion. SHBA offers these opportunities to help grow business in Southern Hills. Eligible tabletop exhibitors are SHBA members.

2007 Officers and Directors to be Elected January 30

SHBA members will have an opportunity to cast their votes for the 2007 slate of SHBA officers and directors. The Nominating Committee has spent considerable time talking with members, seeking their input, and formulating a slate of officers that are not only willing but quite capable of carrying out the duties of their office or respective area of responsibility.

The list of nominees in the far right column will be presented to the membership January 30th. You will see several positions repeated since other qualified members indicated they

would not accept leadership roles. We trust that as 2007 unfolds other SHBA members with true leadership potential will step forward. The time and energy of MANY is far less than the expenditure of time and energy of a those few who are willing to help make a difference.

Be thinking of how you could become part of the solution as we seek leadership for Southern Hills and the Southern Hills Business Association over the coming months. We all share the responsibility of finding solutions that will bring renewal.

Do Your Part to Create a Happy New Year!

Harold Sater

President
(318) 688-7890

We enter 2007 with Happy New Year wishes and high hopes that Southern Hills will continue its upward growth curve to exceed the many good things we saw in 2006.

Some of the new business neighbors we look forward to welcoming include **Tractor Supply** at Mansfield/Ardis Taylor; **Elite Fitness** where Pier 1 once stood; **Ayers Career College** is open and enrolling on Jewella at 3132; **Barksdale Federal Credit Union** will soon have its grand opening in 9200 block of Mansfield; **Taco Bell** is clearing for a new location at Colquitt and Mansfield; **Willis-Knighton South** is working away to finish its new floor; major expansion and renovation is underway at **Guest House** and **The Bradford**; and positive activity in and around **Oxford Street Restaurant** offers hopes that we'll soon have a great restaurant.

The new **Southern Hills Business Association Conference Center** will soon begin undergoing renovation at 9701 Baird Road where a branch of the

the Caddo/South Hamilton branch. A grand opening is tentatively planned for June 26 at the new site.

But all of that said, there remain some blights on Southern Hills, and they are ones that you and I and our business neighbors could single-handedly resolve.

Encourage your business neighbors to keep their places of business neat and tidy and do your part to clear the area of temporary signs, litter, shopping carts, and trash. Perhaps even consider some large potted greenery or flowers in front of your store or office. If everyone brings in the carts, removes the signs, cleans up the litter, and maintains neatly trimmed green space, the Southern Hills area would be remarkably changed and enhanced.

We appreciate the Southern Hills Homeowners Association's annual Clean Sweep, but all of us need to enter our places of business each day with an eye toward finding ways to beautify our space. We want to put our best foot forward to attract new business to Southern Hills. It all begins here at home. Working together **can** make it happen!
