## President's Message

*Harold Sater*  
2007 SHBA President  
Cell 455-5198

At next Tuesday's meeting you will be electing new officers and directors to serve in 2008. It has been a pleasure serving as SHBA President for the past four years. I urge you to give your full support and cooperation to the new SHBA President and Board of Directors.

Please plan to attend Tuesday's meeting for the election and Cyber Command Center news. I hope you will attend and participate often in 2008!

Often during my tenure folks have said to me when discussing membership, "So what's in it for me?" Even setting aside supporting your community, the most important benefit to me has been that I have learned a lot and been exposed to information I would otherwise never have known. Things that have helped me be a better businessman, better person, and more informed citizen.

*Harold*
