President's Message

President

Telephone 671-1991

School has just started but the Southern Hills Homeowners' Association is busy planning for our Christmas in the Hills Parade. Their volunteers will be contacting the area businesses for ideas and help so start thinking "Merry Christmas."

The Southern Hills Community Center is being utilized by a number of organizations. If you have need for a space for employee training, business events, etc., give Julie Bass a call, 687-7808, to arrange the date and time. We also have a working knowledge of area firms that could help cater the event. Audio and video equipment is available.

After contacting our national public officials and being turned down, we found the expertise in our own back yard. John Bowman is presenting some insight on the bills before Congress regarding health care and will bring a small business perspective to the issues. Look forward to seeing you at our regular monthly meeting, August 25, 2009.

John
